CONFIGURE THE BROWSE BOOK DISPLAY

The image shows a configuration interface for a 'Browse Books' block. At the top, there are tabs for 'Structure' and 'Appearance', with 'Structure' selected. Below the tabs, the 'Blocks' section is visible. The main configuration area has a header with a plus icon, the text 'Browse Books', a red circle with the number '1', a dropdown menu set to 'Sidebar First', and a 'configure' link with a red circle and the number '2'. Below this header is a list of categories under the heading 'Front Page Categories'. The categories are: Antiques & Collectibles, Architecture, Art, Bibles, Biography & Autobiography, Business & Economics, Comics & Graphic Novels, Cooking (highlighted in blue), Computers, and Crafts & Hobbies. A red circle with the number '3' is positioned to the right of the list. At the bottom of the configuration area is a 'Save block' button with a red circle and the number '4' next to it.
