Another Indie Favorite

Every Note Played: A Novel, by Lisa Genova

(Gallery/Scout Press, \$16) "Novelist Lisa Genova carries the reader through the grim melody and turbulent sequencing of ALS while expertly relaying the gradual impact of the disease on the lives of patients and caregivers. With medical details balanced against the raw manifestation of the human experience, *Every Note Played* explores the cruel effects of loss and the profound effects of compassion and forgiveness. Richard and Karina are voluntarily alone, yet uncomfortably united by a sense of need and duty. Genova holds nothing back, producing a story that resonates with meaning and builds to a keen point of understanding." —Joan Gallagher, *Where the Sidewalk Ends*, Chatham, MA
