## A 2016 Summer/Fall Indies Introduce Selection!

A girl's unsettling connection with a serial killer leads her on a potentially deadly manhunt in this brilliantly twisted psychological thriller that asks which is more terrifying: the possibility that your nightmares are real... or the possibility that they begin and end with you?

"This book is a **fantastic read**. I was hooked from the first page and could not stop reading until I was done. **Don't miss this one!**"

—Lisa Nehs, Books & Company (Oconomowoc, WI)

"I love a good mystery and I am always on the lookout for something different, something fresh and new. I found it in *The Killer in Me*. The premise was unique and kept me on my toes the whole way through.

I thoroughly enjoyed this **spine-tingling, thrilling book, and I recommend it to any teen who likes a good mystery.**"

—Flannery Fitch, Bookshop Santa Cruz (Santa Cruz, CA)
